The gardeners say they need to be removed

Good afternoon Ms Vanyj,

Thank you for your recent tree works application for 12 Summervale, Holmfirth.

I have just been looking through your application and I wondered if you would be able to elaborate on your Description of Works. In your application form you have asked to "reduce or remove", however we would need a bit more information on what works you are requesting to the trees. If you could clarify whether you would like to remove both of the trees or reduce them and then reply to this email with your description, that would be great.

Kind regards

Emma
