Dear Madam

Work to TPOs 08/99
The Heathers, 12, Summervale, Holmfirth, HD9 7AG

I have received your application for the above proposal and would inform you that following discussion at your property it became apparent that the two trees, 1 Ash and 1 Hawthorn, subject of the application are not protected by a tree preservation order.

As the trees are not protected no consent is required and your application has been withdrawn.

Yours faithfully

Mathias Franklin
Head of Planning and Development
