Subject: 12 thornhill park av

dear sarah

i would like to object the plans for 12 thornhill park av

i reside at the rear of 12 thornhill park av iv seen they will be using park house drive to park there cars at rear of they address first of all we are already struggling with every residents of park house drive owning 2 to 3 cars per household we are overwhelmed children use the playground in parkhouse drive we are already struggling the owners of 12 thornhill park av have made the property an eyesore they chopped all lovely trees from the rear of their property which didnt belong to them and the plans of the house does not reflect the area what so ever they have ample of space in at front of the house why have they made acces from rear of house from my street park house drive this is my concern thanks

also we have a turning circle at the bottom of our street park house drive they have made plans for a rear acess how can that be they havent consulted the residents of park house drive can you plz visit our street and see for urself the natural beauty they have destroyed it was lovely to see trees with birds chirping and now its all gone its disgusting
