Dear Madam

Work to tree at 9, Bishops Way, Meltham, Holmfirth, HD9 4BW, the subject of application 2021/91034

Having now visited your property and checked the location and species of the tree you wish to work on I can confirm that no consent is required as the tree is not protected by a Tree Preservation Order. Please let it be noted that we would have no objection to the work you have proposed to carry out.

Consent is required for other trees at the property and a detailed map of the TPOs present can be found on our website, www.kirklees.gov.uk/trees.

Yours faithfully

Mathias Franklin
Head of Planning and Development
