

Subject: FW: Objection to 2021/91045 Planning consent
Date: 31 March 2021 12:32:56

Dear Mr Simcock

Regarding the above planning application we wish to object for the following reasons. ...

The scheme is inappropriate within the green belt and I refer to the Kirklees Local Plan (adopted 17.2.19) sections 19.2 19.4 19.7 19.8 19.28 and 19.12.

The materials used for the proposed development are not appropriate to their setting and are not in keeping with the existing building in terms of materials and details. ... see Kirklees Local Plan sections LP24 (a), (c) and 11.40.

There will be a negative impact on residential amenity of neighbouring occupiers.

There will be potential privacy issues

Please would you be kind enough to keep us up to speed with anything applying to this matter.

Kind regards
