Subject: 2021/62/91172/W Tandem Garage / Takeway

Surely this cannot be considered Due to proximity to a dangerous road junction
Already the forecourt is used as a bypass to avoid the traffic lights from Waterloo rd to Wakefield rd. During certain times of the day this junction is blocked solidly with traffic attempting to gain access to the retail park and mcdonalds .This in my opinion is only going to compound the problem

Already there are a number of Takeaways in close proximity to the one being proposed and I can see no need for a further one to be added . Are we to become a Takeaway haven. Resident. 1 Waterloo rd

Sincerely.
