Another drive through at this location is unacceptable. There is already a coffee shop and donut shop a few yards away, Starbucks and Crispy Kreme. Do we really need more competition when there is also Costa coffee nearby too! More importantly is the congestion at this location, which is already hazardous, trying to enter/exit the car parks for the above mentioned stores and Macdonalds next to it is a nightmare! Another drive through will increase the dangers considerably, drivers don't always take sufficient care at these junctions to the car parks.
