Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
I suggest Kirklees Highways officers need to visit this site on a Saturday before permission is granted! Cars already queue as far back as the roundabout on Geldard road to get into Macdonalds, obstructing traffic to Starbucks and Krispy Kreme car parks and drivers then overtake the queue to access those. On weekends especially the congestion is dreadful, cars exit from Macdonalds to turn right out of the car park and their vision of the road is obstructed by queuing cars and the ones entering/exiting from Starbucks/Krispy Kreme. If another drive thru is allowed on the Pizza Hut site cars will turn right into there and cause even more chaos. If this proposal is granted Kirklees need to insist on road improvements here or insist on a different access. A lot of youngsters also walk to these stores, increased traffic will be an added danger to them crossing these entry roads. Also is it necessary to have yet another coffee shop when there are already at least three in the immediate vicinity and an existing doughnut shop? Isn't Kirklees supposed to be promoting healthy lifestyles and tackling obesity instead of doing the opposite? And what about an increase in litter which will be left behind, this is already a problem as rats run around these sites due to the takeaway debris.
