Subject: planning for 2021/91571

Dear Sir,

i am writing to say all the residents in our areas, are very unhappy of the decision made about 125 houses being built 2021/9157 Land south of The Lodge and North of Church Lane , There were 80 comments made earlier this year against this going ahead, If anyone had taken the trouble to read all these you may have had a different outcome (or not), we didn't complain because it will spoil our views etc we live here and have to put up with the amount of traffic on our Lane, without adding god knows how much more there is going to be when the build is finished. When yourselves and the applicant come round to look at the cite you only come at quiet times, try coming at school times, its an accident waiting to happen, we are absolutely disgusted with your decision.
