

Good Afternoon,

CC Cllr Viv Kendrick, Mel Meggs

-

Re application in relation to Wall Nooks, Wall Nook Lane at Upper Cumberworth.

-

I am writing to raise concerns about this application which is not in my Ward but very close and easily accessible to it.

I worry that vulnerable young people are to be in a site which is extremely isolated and far away from any services which they may require.

Additionally there seems to be very little consideration given to what types of issues any local residents may encounter if the residents with behavioural issues are visiting neighbouring villages. Having looked at the company website, there is clearly a possibility of issues arising and I would imagine at least a view from Children's Services would be appropriate, so have copied in both Cllr Viv Kendrick and Mel Meggs for their own information and opportunity to comment,

Thanks,

Richard.
