

Town and Country Planning Act 1990

**Town and Country Planning (Development Management Procedure) (England)
Order 2015**

REFUSAL OF PERMISSION FOR DEVELOPMENT

Application Number: 2021/62/91717/W

To: Michael Chow,

Studio 12

Wakefield
WF1 1UY

For: W Malik

In pursuance of its powers under the above-mentioned Act and Order the KIRKLEES COUNCIL (hereinafter called "The Council") as Local Planning Authority hereby refuses to permit:-

**ALTERATIONS TO CONVERT (C3) DWELLING TO (SUI GENERIS) HOUSE
FOR MULTIPLE OCCUPATION (WITHIN A CONSERVATION AREA)**

At: 16, GLEDHOLT ROAD, GLEDHOLT, HUDDERSFIELD, HD1 4HP

In accordance with the plan(s) and applications submitted to the Council on 29-Apr-2021. The reasons for the Council's decision to refuse permission for the development are:

1. It is considered that the amount of shared or communal space within the development as shown on the proposed floorplans would not be sufficient to provide an acceptable level of amenity for future occupants in an 8-bedroom House in Multiple Occupation, and that the standard of amenity would be especially poor for future occupants of bedroom 5 on account of the limited space within the room combined with the limited access to shared space. The development would thereby fail to comply with the aims of Policy LP24(b) of the Kirklees Local Plan and those of National Planning Policy Framework Chapter 12, paragraph 127(a&f).

Pursuant to article 35 (2) of the Town and Country Planning (Development Management Procedure) Order 2015 and guidance in the National Planning Policy Framework, the Local Planning Authority have, where possible, made a pre-application advice service available, complied with the Kirklees Development Management Charter 2015 and otherwise actively engaged with the applicant in dealing with the application. The applicant's agent submitted a sectional drawing, and photographs in an attempt to overcome officer concerns about the possibly limited headroom and the level of natural light into some of the rooms. Whilst these were useful for clarification purposes, they did not overcome the more fundamental concern that the case officer had expressed, which was over the limited communal space. It was not considered expedient to request further amendments since the remaining concerns related to the principle of the development rather than the details. For the reason set out in the reason for refusal the development would not improve the environmental conditions of the area.

Development within a Coal Mining Area

Further information is also available on the Coal Authority website at: www.gov.uk/government/organisations/the-coal-authority

The application has been publicised by notice(s) in the vicinity of the site. It is respectfully requested that the notice(s) now be removed and responsibly disposed of to avoid harm to the appearance of the area

Appeals to the Secretary of State

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- If an enforcement notice is served or has been served relating to the same or substantially the same land and development as in your application and if you want to appeal against the local planning authority's decision on your application, then you must do so within:
 - i) 28 days from the date of this notice where the enforcement notice has been served,
 - ii) 28 days of the date of service of the enforcement notice or,
 - iii) the specified period starting from the date of this notice,whichever period expires earlier.
- If you want to appeal against your Local Planning Authority's decision then you must do so within the specified period, starting on the date of this notice.
- The "specified period" is 12 weeks where the development relates to a "minor commercial application" as defined within the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), or 6 months in any other case.
- Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at <https://www.gov.uk/planning-inspectorate>
Further information on the Planning Appeal process can be found online at the Planning Inspectorates website <https://www.gov.uk/government/organisations/planning-inspectorate>.
- You must use the correct Planning Appeal Form when making your appeal. If requesting forms from the Planning Inspectorate, please state the type of application that the appeal relates to so they can send you the appeal form you require.
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

Please note, only the applicant possesses the right of appeal.

Purchase Notices

- If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
