Thank you for giving me an opportunity to object to the proposed plans for the Smith's Arms. Since the end of the national coronavirus lockdown myself and my young family have suffered disturbance from the patrons of the Smith's Arms. We are concerned that the proposed development will further increase the disturbance we are suffering. We have experienced excessive noise which has disturbed my children when they have been trying to get to sleep in the evening. The number of cars parked on Towngate from pub patrons has increased significantly. I am concerned when I drive past the Smith's Arms about my safety on the road. On an number of occasions we have had to walk past human vomit that has been left on the public pavement outside of the Smith's Arms. The pub is in a conservation area. Please can you take into account my reasons for objecting when considering the planning application.
