

**Consultation Response from KC,
Trees****2021/91758 Trabel House, 26-28, Cambridge Road, Huddersfield, HD1 5BU****Formation of 6 space car park****Date Responded: 09/07/21****Responding Officer: Nick
Goddard****Responding Ref:**

As the works are already involving this area of the site from previous permissions there is no further harm to adjacent trees that can be caused. It was noted that site boundary fencing was in place preventing further ingress into the rooting area of an adjacent tree. I would therefore have no objection to the proposals.
