Town and Country Planning Act 1990

**Town and Country Planning (Development Management Procedure) (England) Order
2015**

REFUSAL OF PERMISSION FOR DEVELOPMENT

Application Number: 2021/62/91862/W

In pursuance of its powers under the above-mentioned Act and Order the KIRKLEES COUNCIL (hereinafter called "The Council") as Local Planning Authority hereby refuses to permit:-

ERECTION OF SINGLE STOREY EXTENSION TO REAR, GARAGE TO FRONT
WITH BALUSTRADE ABOVE, DORMER WINDOWS TO REAR AND DEMOLITION
OF EXISTING GARAGE

At: 56A, FAR BANKS, FAR END LANE, HONLEY, HOLMFIRTH, HD9 6NW

In accordance with the plan(s) and applications submitted to the Council on 12-May-2021, except as amended or specified, details of which can be found in the table below. The reasons for the Council's decision to refuse permission for the development are:

1. The proposed development, when considered in isolation and cumulatively with the previous extension to the property, would form disproportionate additions to the original building which would represent inappropriate development within the Green Belt. Furthermore, it would cause other harm by reducing the spatial and visual openness of the Green Belt by building on land which is currently open and by the scale of development proposed. There are no very special circumstances to clearly outweigh the harm the development would have on the Green Belt by reason of inappropriateness and other harm. The proposal fails to accord with the requirements of Policy LP57a of the Kirklees Local Plan and Policies within Chapter 13 of the National Planning Policy Framework.

2. The proposed extensions, in particular the front extension, would not be subservient to the original building or in keeping with the original building in terms of its design, scale and detailing. The front extension would create an incongruous and unsightly feature to the principal elevation and would harm the character and appearance of the host dwelling and surrounding area and be contrary to Policy LP24a and c of the Kirklees Local Plan and paragraph 5.13 of the Council's adopted Supplementary Planning Document on House Extensions and Alterations.

Proposed floor plans	2353/02F	-	6th July 2021
Existing elevations	2353/03A	-	6th July 2021
Proposed elevations	2353/04B	-	6th July 2021
Location plan	2353/06B	-	6th July 2021

Pursuant to article 35 (2) of the Town and Country Planning (Development Management Procedure) Order 2015 and guidance in the National Planning Policy Framework, the Local Planning Authority have, where possible, made a pre-application advice service available, complied with the Kirklees Development Management Charter 2015 and otherwise actively engaged with the applicant in dealing with the application. In this instance, no negotiations have taken place as the works cumulatively are considered to be unacceptable within the Green Belt. Nonetheless, the agent has submitted revised plans, given that the northern and southern elevations were incorrectly labelled on the proposed elevations plan.

Development within a Coal Mining Area

The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Coal Authority on 0345 762 6848.

Further information is also available on the Coal Authority website at:

Appeals to the Secretary of State

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- As this is a decision for a householder application, if you want to appeal against your Local Planning Authority's decision then you must do so within 12 weeks of the date of this notice.
- If an enforcement notice is served or has been served relating to the same or substantially the same land and development as in your application and if you want to appeal against the local planning authority's decision on your application, then you must do so within:
 - i) 28 days from the date of this notice where the enforcement notice has been served,
 - ii) 28 days of the date of service of the enforcement notice or,
 - iii) 12 weeks of the date of this notice,which ever period expires earliest.
- Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at <https://www.gov.uk/planning-inspectorate> . Further information on the Planning Appeal process can be found online at the Planning Inspectorates website <https://www.gov.uk/government/organisations/planning-inspectorate>.
- You must use the correct Planning Appeal Form when making your appeal. If requesting forms from the Planning Inspectorate, please state the type of application that the appeal relates to so they can send you the appeal form you require.
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

Please note, only the applicant possesses the right of appeal.
