

About the application

Application number: 2021/62/91914/E	
What is the application for?:	Demolition of one dwelling, erection of 45 dwellings with access and associated
Address of the site or building:	rear of, 28, Northorpe Lane, Northorpe, Mirfield, WF14 0QN
Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
I object to this planning application on the grounds that it will cause dreadful traffic problems. The intersections of Crossley Lane, Shillbank Lane, Shillbank View and Northorpe lane are already dangerous with traffic coming from several directions, pulling into the shop and on a bad bend where visibility is restricted. The suggested extra 96 cars and all the extra journeys will cause mayhem. The affected roads are heavily used by children walking to and from many schools in Mirfield. The proposal makes this very dangerous for children crossing the many roads with fast traffic from every direction. It will also completely change the nature of the environment which is rural and peaceful. We have all come to realise during the pandemic how essential it is to our well-being to spend time in nature. This plan robs us of nature on our doorstep
