Date: 18 January 2022 10:47:09

Further to your email below, I can confirm that the Coal Authority has no specific comments to make on the amendments made to this planning application and our previous comments / recommendations to the LPA dated 02 June 2021 remain valid and relevant to the decision making process.

I hope this helps, however please do not hesitate to contact me, if you require any further assistance with this matter.

Kind regards

Deb Roberts
