| <p>How on earth has someone thought that we are saying absolutely not to 38 houses and put in planning for 44.....are you having a joke...well if you are your not funny. I reiterate all my previous comments I think the environment will be severely damaged. The access is ridiculous Ambulance and fire service struggle now with the amount of parking on Northorpe lane. The water that flows down the lane freezes in winter and the surface becomes an ice rink at times. You will disturb Mr/Mrs Fox route which is where the proposed ridiculous build is going to be...and who exactly would want to live in a dark dingy swampy field....no words.</p> |    |
