This plan shows those pipes owned by Northern Gas Networks or the relevant Gas Distribution Network in their roles as Licensed Gas Transporters (GT), gas pipes owned by other GTs, or otherwise privately owned, may be present in this data. Information with regard to such pipes should be obtained from the relevant owners. The information shown on this plan is given without warranty, the accuracy thereof cannot be guaranteed. Service pipes, valves, synhors, sub connections, etc. are not shown but their presence should be anticipated. No liability of any kind whatsoever is accepted by Northern Gas Networks, the relevant Gas Distribution Network, or their agents, servants or contractors for any error or omission. Safe digging practices, in accordance with H5/G47, must be used to verify and establish the actual position of mains, pipes, services and other apparatus on site before any mechanical plant is used. The information shown on this plan is not intended to be used as a basis for any direct (or indirect) liability of contractors working for you or of your gas supplier. The information included on this plan should not be relied upon for a period of 28 days from the date of its issue.
