Dear Sir/Madam

We object to your planning application

Thank you for sending your notice dated 22nd October 2021

We enclose a plan showing our plant in the area of **Former North Bierley Waste Water Treatment Works, Oakenshaw, BD12 7ET**. We object to the planning application on the grounds that the protection given to our plant may be diminished by the works you intend to carry out.

There are specific building proximity distances for individual pipelines, which are dependent on pre-defined risk levels and the type of development. If your proposal includes the construction of buildings, it is essential you contact Kristian Ainsworth on telephone number 07773 545 806. Kristian is the pipeline technician.

Kind regards

Lucy McMahon
