User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	No
East Bierley Village Preservation Society object to this application for the following reasons 1. The access is from the lane to the Sports Club, which will soon be accessed by 46 houses with planning approved and extra vehicles to the Sports Club if planning approved. 2. Access to the Stables is available now by Winfield Drive. 3. The applicant has previously wanted to put a Caravan and Camping site on the field.
