Re development at 23 Fall Lane I wish to object on the grounds of my privacy I will be overlooked from the Terrace which is only 50 yards from my garden . The house is on a slopping site which will overlook all the neighbouring houses and gardens . It will devalue my property . It will be intrusive to the public recreation ground which is an important part of village life. I also feel the large garage which will be well in front of the building line on the existing garage will be out of character with the village . Over development !!
