Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	No
I object to the trees now not being planted citing the land is too steep. Surely with due defrence, this should have been considered when submitting the original application. The land hasn't increased in steepness since. This now means this eyesore of a building cannot be camouflaged and create any sustainability factors for the local community which is another huge concern. I object to this change based on these factors
