2021/92324 Huddersfield Pharmacy Specials, Gate 2 Acre Mill, School Street West, Huddersfield, HD3 3ET		
Erection of temporary Portakabin modular building		
Date Responded:19-07- 2021	Responding Officer:Mark Berry	Responding Ref: 5-2NW-3

This application seeks approval to the erection of a temporary Portakabin modular building at Huddersfield Pharmacy Specials, Gate 2 Acre Mill, School Street West, Huddersfield.

This application seeks temporary planning approval of 5 years. The building being installed will provide a temporary facility for tablet packing. The additional building will provide the extra space required for Huddersfield Pharmacy Specials (HPS) to operate and meet demands. HPS operates as a division of Calderdale and Huddersfield NHS Foundation Trust.

The proposed Portakabin building will be sited on a grassed area to the rear of the existing HPS building.

Given that this proposal does not alter the existing parking and access arrangements Highways Development Management have no objection to these proposals
