Highways Development Management (HDM) comments as follows.

This application is at the rear of, 84, St John's Road, Birkby, Huddersfield. The proposal is for the erection of storage unit (within a Conservation Area).

The storage unit will provide a covered area for the existing external storage.

The existing access, parking and waste arrangements are unchanged by the proposals.

HDM has no objection to the proposals so deems the application acceptable from a highway's perspective with no conditions.
