<p>We Strongly object to the proposal to change the use of 9 Moor View Mirfield WF14 0JH from a private residence to a residential institution. 9 Moor View we have serious concerns about the security of our home our quality of life when using our outdoor space in case of any anti-social behaviour.</p> <p>In the application it states that the property has a substantial garden, the property in Moor View has a very small space to the back and is very open at the front which we believe makes this property and location unsuitable for this type of use.</p> <p>We are greatly anxious about this proposal and would like you to take into account our concerns about our safety, security and worries about anti-social behaviour when viewing the application.</p>
