5. Description of the Proposal

Please describe details of the proposed development or works including any change of use.

If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.

Kirklees College require fit for purpose teaching classrooms at their Taylor Hill Animal Centre campus in Close Hill Lane, Huddersfield. These temporary single-storey modular classroom buildings are to be hired from The McAvoy Group for a 5 year hire period. The two classrooms are required to support the teaching of animal and land based studies which are delivered at Taylor Hill to post 16 year old students. The current campus buildings are suited for practical animal studies only, and have very limited facilities for traditional theory application. The proposed new classrooms will be able to accommodate theory teaching leaving the existing infrastructure for practical studies. To minimise impact on site, the area chosen for the proposed modular buildings is currently a dormant tarmac and grass area.
