Postcode:	BD8 9TF

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
The site on which the planned dwellings are to be built is a wildlife haven. It provides habitats for deer, barn owls, bats, numerous species of birds and more. Building houses on the land will negatively affect the biodiversity in area. The doctors surgery is already struggling with the amount of patients it has and the roads are busy enough as it is.
