Erection of single storey extensions		
Date Responded: 06/08/21	**Responding Officer: Nick Goddard**	**Responding Ref: TPO 63/92**

There is a protected tree in the adjacent property, a mature Cherry tree. The proposals however do not extend closer to the tree than the existing front edge of the house. This combined with the existing driveway mean it is unlikely the proposals will impact upon the adjacent tree. I would therefore have no objection to the proposals.
