Subject: CONSULTEE RESPONSE: 2021/92904 - Yangtze Chinese - pro-w objection
Date: 30 July 2021 09:58:59

Public footpath Spenborough 114 is currently obstructed by a building. Although the applicant indicates that the footpath will be diverted pro-w would need further information. The aerial photo submitted with the proposed alignment of the footpath does not match the alignment on the proposed site/block layout

Any footpath diversion would be by separate process, application and cost with no guarantee of success.

Please confirm that public footpath Spenborough 113 to Halifax Road is to remain open and this path will not be used as access to the development

Sharon
