Good Morning Mrs Taylor

regarding the  
proposed plans for an extension at number 49 Ryefields.

Although the proposal does not have quite the same effect as it does at number 29. over looked and this means that anyone standing in the proposed extension at number 49 will be able to see directly into master bedroom.

I believe that it is only right that you attend the properties as requested by the owners of number 29 to see for your yourself the impact this planned build will have on the lifestyles of all at 27 and 29 Ryefields.

Having to keep curtains closed 24/7 because can see directly into home is in my opinion disgraceful.

I wholeheartedly object to this proposal as per my objections submitted to you many weeks ago. I would be a lot happier if the glazing on the proposed planes where restricted to skylights so as to not have ANY visible site from the property at number 49 into the private space of either 29 or 27 Ryefields.

I would appreciate a call to discuss a mutually convenient time for you to visit both properties so you can asses the layout and see for yourself our concerns

I look forward to your call

Regards
