Dear Sirs

I refer to the planning application for Yew Tree Farm reference above.

I wrote previously to object to the plans in 2021. There seems to be very little change to the original plans. They seem to have ignored all the objections from private and fiscal bodies, nor have they taken account of the trees which now have TPOs.

The barn that comprises of Yew Tree Farm still shows conversion into 4 houses. Surely 2 or 3 houses are sufficient.

Sincerely
