Doc 8899007 existing, the outside shed is visible. On proposed rear elevation shed is also visible. doc 889906 Proposed ground rear, shed is not visible. Also is not visible on proposed site block plan. This is a shared brick shed. I want assurances the shared shed will not be touched. On householder application page re trees; applicant has answered 'no' to tree or hedges within falling distance of 52 Virginia rd ,however there is a large sycamore tree on the property ,at the rear of 52 Virginia rd.
