Rep no 2021/9344

Dear Sir

I am writing to you with my objections re- the ten bedroom extension to Newlands Hall.

1. Flats 6, 7, 13, 14, will be looking directly on to the building.

2. How close will it be to the lawns Flats

3. The access road needs to be kept clear for Emergency Services any delay could mean loss of life. We also use taxis for various reasons.

4 How much noise will there be and dirt, this could be upsetting to people living at the Lawns.

5, How much would it disrupted the residents of Newland Hall

6, We also have a lot of birds and Squirrels which people enjoy watching
