Postcode:	

## User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
<p>Today 21/09/21, I was unable to have access to my property as work to clear the access road to this proposed site has started.</p> <p>As a resident of Old Mill Lane I have suffered over 3 years of obstruction to my property, noise and dirt from the Stoney Bank chase development, pot holes in the road, missed bin collections and deliveries unable to be made due to planning permission given by you.</p> <p>The access point to this proposed site is narrow and from the experiences of the last 3 years will cause more blockage to my and my neighbours homes and potential damage to the eagerly awaited new road surface on Stoney Bank Lane.</p> <p>This property, if built will be the 54th to be built in this small green field area, removing yet more trees and greenery and lessening the flood defences and creating dangerous walking and driving conditions in winter as the road becomes a run off for rain water.</p> <p>We are being encouraged by government to plant green areas yet this development would lessen this even more.</p> <p>In view of my comments I object to the whole of this application especially the change of access from Hazeldene House to the rear of Old Mill Lane.</p>
