With reference to the above application, the Construction Management Plan (9.0) states that “there will be no operation of heavy plant, etc, outside normal working hours of 0800 to 1800”

Will this apply only on weekdays?

Environmental Health's standard recommendation is that noisy activities should not take place outside the hours of 07.30 to 18.30 hours Mondays to Fridays, 08.00 to 13.00 hours, Saturdays, with no noisy activities on Sundays or Public Holidays.
