<p>I object to the above application because, the school system the health care system plus the road network and drainage system cannot cope with the amount of houses already in the area.</p> <p>If no one can see this just do a survey on south parade and adjoining streets. Where cars are illegally parked on footpaths and road safety measures. i.e. speed bumps or traffic calming systems as you prefer to call them.</p> <p>It's a wonder no one has yet been killed due to speeding cars and un observant drivers. This planning is a travesty have we no built enough houses in the are without the correct infrastructure being in place.</p>
