

Town and Country Planning Act 1990

**Town and Country Planning (Development Management Procedure) (England) Order
2015**

PLANNING PERMISSION FOR DEVELOPMENT

Application Number: 2021/62/93622/W

To: Paul Briggs,
Northern Design Partnership
The Chapel
Mill Moor Road
Meltham
Holmfirth
HD9 5JU

For: Gillings

In pursuance of its powers under the above-mentioned Act and Order the KIRKLEES COUNCIL (hereinafter called "The Council") as Local Planning Authority hereby permits:-

PARTIAL DEMOLITION, CHANGE OF USE AND ALTERATIONS TO FORM DWELLING (ADJ LISTED BUILDING WITHIN A CONSERVATION AREA)

At: CONCEPT REFRIDGERATION LTD MIDWAY HOUSE, 51, HUDDERSFIELD ROAD, MELTHAM, HOLMFIRTH, HD9 4AF

In accordance with the plan(s) and applications submitted to the Council on 13-Sep-2021, subject to the condition(s) specified hereunder:-

1. The development hereby permitted shall be begun within three years of the date of this permission.

Reason: Pursuant to the requirements of Section 91 of the Town and Country Planning Act 1990.

2. The development hereby permitted shall be carried out in complete accordance with the plans and specifications schedule listed in this decision notice, except as may be specified in the conditions attached to this permission, which shall in all cases take precedence.

Reason: For the avoidance of doubt as to what is being permitted and so as to ensure the satisfactory appearance of the development on completion, and to accord with Policies LP1, LP2, LP3, LP7, LP20, LP21, LP22, LP24, LP30, LP35, LP43, LP51, LP53 and LP52 of the Kirklees Local Plan, Chapters 2, 4, 5, 8, 9, 12, 13, 14, 15 and 16 of the National Planning Policy Framework and Principles contained within the Council's adopted Housebuilders Design Guide SPD.

3. Prior to any works to the existing west elevation wall of the building (including demolition), a stone sample panel (minimum 1 metre squared in size) shall be constructed on site in natural coursed stone, inspected and approved in writing by the Local Planning Authority. Thereafter, the external walls of the development shall be laid, dressed, coursed and pointed in strict accordance with the approved stone sample panel, and shall be retained as such thereafter.

Reason: In the interests of visual amenity, to preserve the significance of the nearby listed buildings and Meltham Conservation Area and to comply with Policies LP24 and LP35 of the Kirklees Local Plan, Chapters 12 and 16 of the National Planning Policy Framework and Principles 2 and 15 of the Council's adopted Housebuilders Design Guide SPD

4. Prior to the construction of the replacement roof of the development hereby approved, a sample of the natural slate to be used in the construction of the roof of the development shall be submitted to and approved in writing by the Local Planning Authority. Thereafter the development shall be carried out in accordance with the sample so approved and shall be retained as such thereafter.

Reason: In the interests of visual amenity, to preserve the significance of the nearby listed buildings and Meltham Conservation Area and to comply with Policies LP24 and LP35 of the Kirklees Local Plan, Chapters 12 and 16 of the National Planning Policy Framework and Principles 2 and 15 of the Council's adopted Housebuilders Design Guide SPD.

5. Notwithstanding the details submitted, prior to the installation of any new doors, windows and rooflights within the development, full details of the doors, windows and rooflights within the dwelling hereby approved shall be submitted to and approved in writing by the Local Planning Authority. The details shall include elevations, cross section, cill, lintel and recess detail and colour/finish. The doors, windows and rooflights shall be installed within the building in full accordance with the approved details and shall be retained as such thereafter.

Reason: In the interests of visual amenity, to preserve the significance of the nearby listed buildings and Meltham Conservation Area and to comply with Policies LP24 and LP35 of the Kirklees Local Plan, Chapters 12 and 16 of the National Planning Policy Framework and Principles 2 and 14 of the Council's adopted Housebuilders Design Guide SPD.

6. Re-pointing shall be carried out using a 1:3 NHL3.5 hydraulic lime:well graded sharp sand mortar unless an alternative mortar mix specification is first submitted to and approved in writing by the Local Planning Authority. No power tools shall be used to remove any existing mortar and the mortar shall be flush pointed.

Reason: In the interests of visual amenity, to preserve the significance of the nearby listed buildings and Meltham Conservation Area and to comply with Policies LP24 and LP35 of the Kirklees Local Plan, Chapters 12 and 16 of the National Planning Policy Framework and Principles 2 and 15 of the Council's adopted Housebuilders Design Guide SPD.

7. Prior to any works to the west elevation wall of the building (including demolition), a landscaping scheme shall be submitted to and approved in writing by the Local Planning Authority. The scheme for landscaping the site shall include:-

- details of the proposed tree and shrub planting including their species, number, sizes and positions, together with grass seeded/turfed areas; and
- details of the hard surfaced areas, including pavements, pedestrian areas and steps.

Thereafter the development shall be carried out in accordance with the approved landscaping scheme.

Reason: In the interests of visual amenity, to preserve the significance of the nearby listed buildings and Meltham Conservation Area and to comply with Policies LP24 and LP35 of the Kirklees Local Plan, Chapters 12 and 16 of the National Planning Policy Framework and Principles 2 and 8 of the Council's adopted Housebuilders Design Guide SPD.

8. All planting, seeding or turfing comprised in the approved details of landscaping shall be carried out in accordance with BS 4428:1989 Code of Practice for general landscape operations (excluding hard surfaces), or the most up to date and current British Standard, and the complete landscaping scheme (hard and soft) shall be undertaken in the first planting and seeding seasons following the occupation of the dwelling or on the completion of the development, whichever is the sooner. Any trees, herbaceous planting and shrubs which, within a period of five years from the completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the current/next planting season with others of similar size and species.

Reason: In the interests of visual amenity, to preserve the significance of the nearby listed buildings and Meltham Conservation Area, to ensure the creation of a pleasant environment for the development and to comply with Policies LP24 and LP35 of the Kirklees Local Plan, Chapters 12 and 16 of the National Planning Policy Framework and Principles 2 and 8 of the Council's adopted Housebuilders Design Guide SPD.

9. Prior to the first occupation of the dwelling hereby approved, a scheme detailing the boundary treatments of all the site shall be submitted to and approved in writing by the Local Planning Authority. The scheme shall detail the position, height and materials of the boundary treatments. Thereafter, and prior to the first occupation of the dwelling hereby approved, the boundary treatments shall be constructed in accordance with the approved details and retained thereafter.

Reason: In the interests of visual and residential amenity, to preserve the significance of the listed buildings and Meltham Conservation Area and to comply with Policies LP24 and LP35 of the Kirklees Local Plan, Chapters 12 and 16 of the National Planning Policy Framework and Principles 2 and 6 of the Council's adopted Housebuilders Design Guide SPD.

10. The dwelling hereby approved shall not be occupied until all areas indicated to be private drives and parking areas associated with the dwelling hereby approved on Drawing No. 2015 06 Revision B have been laid out with a hardened and drained surface in accordance with the Communities and Local Government; and Environment Agency's 'Guidance on the permeable surfacing of front gardens (parking areas)' published 13th May 2009 as amended or any successor guidance. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 as amended (or any Order revoking or re-enacting that Order) these areas shall be so retained, free of obstructions and available for parking thereafter.

Reason: In the interests of visual amenity and traffic safety, to mitigate flood risk arising from surface water run-off, to ensure adequate space within the site for vehicle movements and parking and to comply with Policies LP21, LP22, LP24 and LP28 of the Kirklees Local Plan and Chapters 9, 12 and 14 of National Planning Policy Framework.

11. A bat box and a swift box shall be incorporated into wall of the building approved to be used in residential use; the boxes shall be long-lasting Schwegler 'woodcrete' type or similar and shall be located away from sources of light, at least 5 metres above ground. The bat and swift boxes shall be provided prior to first occupation of the dwelling hereby approved and thereafter be retained.

Reason: To enhance the biodiversity of the site in accordance with Policy LP30 of the Kirklees Local Plan, Principle 9 of the Council's adopted Housebuilders Design Guide SPD and Chapter 15 of the National Planning Policy Framework.

12. Prior to the first occupation of the dwelling hereby approved, one electric recharging point shall be installed within the dedicated parking area of the dwelling hereby approved. Cable and circuitry ratings shall be of adequate size to ensure a minimum continuous current demand of 16 Amps and a maximum demand of 32Amps. The electric vehicle charging point so installed shall thereafter be retained.

Reason: In the interest of supporting low emission vehicles and to accord with Policies LP24 and LP51 of the Kirklees Local Plan, Principle 18 of the Council's adopted Housebuilders Design Guide SPD and Chapters 9 and 15 of the National Planning Policy Framework.

13. In the event that contamination, or the presence of coal not previously identified by the developer prior to the grant of this planning permission is encountered during the development, all groundworks in the affected area (except for site investigation works) shall cease immediately and the Local Planning Authority shall be notified in writing within 2 working days. Groundworks in the affected area shall not recommence until either (a) a Remediation Strategy by a suitably competent person has been submitted to and approved in writing by the Local Planning Authority or (b) the Local Planning Authority has confirmed in writing that remediation measures are not required. The Remediation Strategy shall include a timetable for the implementation and completion of the approved remediation measures. Thereafter remediation of the site shall be carried out and completed in accordance with the approved Remediation Strategy.

Following completion of any measures identified in the approved Remediation Strategy a Validation Report shall be submitted to the Local Planning Authority. No part of the site shall be brought into use until such time as that part of the site has been remediated in accordance with the approved Remediation Strategy and a Validation Report in respect of those works has been approved in writing by the Local Planning Authority.

Reason: To ensure the safe occupation of the site in accordance with Policy LP53 of the Kirklees Local Plan and Chapter 15 of the National Planning Policy Framework.

14. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any Order revoking or re-enacting that Order (with or without modification), no development included within Classes A or E of Part 1, Schedule 2 to that Order within the red line boundary of the application site shown on the approved plans shall be erected at any time.

Reason: In the interest of visual and residential amenity, so as to preserve the significance of the Meltham Conservation Area and listed buildings and in accordance with Policies LP24 and LP35 of the Kirklees Local Plan, Principles 2 and 6 of the Council's adopted Housebuilders Design Guide SPD and Chapters 12 and 16 of the National Planning Policy Framework.

15. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 as amended (or any Order revoking or re-enacting that Order) no development included within Class A, Part 2, Schedule 2 to that Order (apart from any means of enclosures expressly allowed by the permission) shall be carried out without the prior written consent of the Local Planning Authority.

Reason: In the interest of visual and residential amenity, so as to preserve the significance of the Meltham Conservation Area and listed buildings and in accordance with Policies LP24 and LP35 of the Kirklees Local Plan, Principles 2 and 6 of the Council's adopted Housebuilders Design Guide SPD and Chapters 12 and 16 of the National Planning Policy Framework.

NOTE: Planning permission only means that in planning terms a proposal is acceptable to the Local Planning Authority. Just because you have obtained planning permission, this does not mean you always have the right to carry out the development. Planning permission gives no additional rights to carry out the work, where that work is on someone else's land, or the work will affect someone else's rights in respect of the land. For example there may be a leaseholder or tenant, or someone who has a right of way over the land, or another owner. Their rights are still valid and you are therefore advised that you should seek legal advice before carrying out the planning permission where any other person's rights are involved.

NOTE: The granting of planning permission does not authorise the carrying out of works within the highway, for which the written permission of the Council as Highway Authority is required. You are required to consult the Design Engineer, Flint Street, Fartown, Huddersfield (Kirklees Street Care: 01484 221000) with regard to obtaining this permission and approval of the construction specification. Please also note that the construction of vehicle crossings within the highway is deemed to be major works for the purposes of the New Roads and Street Works Act 1991 (Section 84 and 85). Interference with the highway without such permission is an offence which could lead to prosecution.

NOTE: It is the applicant's responsibility to find out whether the work approved by this planning permission requires written approval from the Highways Structures section for works near or abutting highway and any retaining structures. Contact Highways Structures Section on Tel No. 01484 221000 who can advise further on this matter.

NOTE: In relation to condition 5, it is expected that the heads and cills for all new openings shall be in natural stone.

NOTE: All contamination reports shall be prepared by a suitably competent person, as defined in Annex 2 of the National Planning Policy Framework 2019. Reports must be prepared in accordance with the following guidance:

- *Land Contamination Risk Management (LCRM)*
- BS 10175:2011+ A2:2017 *Investigation of Potentially Contaminated Sites. Code of Practice*
- *Development on Land Affected by Contamination - Technical Guidance for Developers, Landowners & Consultants - (v11.2) June 2020* by the Yorkshire and Lincolnshire Pollution Advisory Group.

NOTE: Birds and their nests are fully protected under the Wildlife and Countryside Act 1981 (as amended), which makes it an offence to intentionally take, damage or destroy the eggs, young or nest of a bird whilst it is being built or in use. Disturbance to nesting birds can be avoided by carrying out vegetation removal or building work outside the breeding season, which is March to August inclusive.

NOTE: To minimise noise disturbance at nearby premises it is generally recommended that activities relating to the erection, construction, alteration, repair or maintenance of buildings, structures or roads shall not take place outside the hours of:

- 07.30 and 18.30 hours Mondays to Fridays.
- 08.00 and 13.00hours, Saturdays.
- With no working Sundays or Public Holidays.

In some cases, different site specific hours of operation may be appropriate. Under the Control of Pollution Act 1974, Section 60 Kirklees Environment and Transportation Services can control noise from construction sites by serving a notice. This notice can specify the hours during which work may be carried out.

Plans and specifications schedule:-

| Plan Type | Reference | Version | Date Received |
|--|--------------------|----------------|----------------------|
| Application form | - | - | 14th September 2021 |
| Location Plan a scale of 1:1250 | - | - | 14th September 2021 |
| Existing Floor Plans and Elevations | 2015-09 | - | 14th September 2021 |
| Proposed Floor Plans and Elevations | 2015-10 | - | 14th September 2021 |
| Proposed Site Plan | 2015-06 | B | 22nd October 2021 |
| Highway Statement by Paragon Highways dated October 2021 | 1719B | - | 11th October 2021 |
| Design and Access Statement incorporating Heritage Statement by Northern Design Partnership dated September 2021 | - | - | 23rd September 2021 |
| Heritage Assessment - Updated by Archaeological Research Services dated November 2020 | 2020/170 | - | 17th December 2021 |
| Topographical Survey | NDP/369/SP | - | 14th September 2021 |
| Preliminary Ecological Appraisal by Middleton Bell dated 29th July 2021 | MBE/ECO/2021/20/01 | - | 23rd September 2021 |

Pursuant to article 35 (2) of the Town and Country Planning (Development Management Procedure) Order 2015 and guidance in the National Planning Policy Framework, the Local Authority have, where possible, made a pre-application advice service available, complied with the Kirklees Development Management Charter 2015 and otherwise actively engaged with the applicant in dealing with the application.

Officers requested a highways statement, and this was later submitted by the applicant's agent and was considered satisfactory. A revised site plan and Heritage Statement were also submitted, and following the submission of this application Officers recommended the application for approval.

Building Regulations Approval is required for most work involving building operations and/or structural alterations. It is the applicant's responsibility to find out if the work permitted by this planning permission needs approval under the Building Regulations, and if necessary to submit an application. If you are not the applicant can you please ensure the applicant is aware of this requirement. Contact Building Control on Tel No: (01484) 221550 for more information.

It is the applicant's responsibility to find out whether any works approved by this planning permission, which involve excavating or working near public highway and any highway structures including retaining walls, will require written approval from the Council's Highways Structures Section. Please contact the Highways Structures Section on Tel No. 01484-221000 Ext 74199 for further advice on this matter.

Details Reserved by Condition

- **This permission has been granted subject to conditions. Some of the conditions may require you to submit further details. These conditions normally contain the wording "submitted to and approved in writing by the Local Planning Authority".**
- **You can apply online for approval of these details at the Planning Portals website at www.planningportal.gov.uk. Alternatively the forms and supporting guidance for submitting an application can be found online at www.kirklees.gov.uk/planning.**
- **This Authority recognises the need to ensure that you are able to develop the site as effectively and flexibly as possible. However, at the same time it must ensure that development is in accordance with the terms of the planning conditions and legal agreement and the expectations of elected members and local residents set through the decision process.**
- **You should note the triggers for compliance with the conditions of this planning permission. This Authority is committed to processing applications to discharge conditions in a timely manner. It is important to ensure that submissions are made as far in advance of the trigger to allow time for adequate consultation, discussion and in some circumstances publicity.**
- **It is important that applications to discharge conditions are accompanied by sufficient information to enable this Authority and its consultees to fully consider and determine the proposals. Whilst officers will endeavour to negotiate solutions, failure to provide a comprehensive submission may result in delay and refusal of the application.**
- **If you commence work without discharging conditions you are at risk of enforcement action and invalidating your permission if the planning condition is a pre commencement condition.**

Development within a Coal Mining Area

The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Coal Authority on 0345 762 6848.

Further information is also available on the Coal Authority website at: www.gov.uk/government/organisations/the-coal-authority

Digital Infrastructure: Fibre To The Property (FTTP)

Access to affordable and reliable broadband is necessary for Kirklees' residents, businesses, and visitors to take advantage of the growing digital economy and 'digital by default' services. Fibre optic cables direct to a property (FTTP) is the most reliable way of delivering high speed broadband connectivity and allows for gigabit internet speeds. Access to high quality digital infrastructure provides the foundations for, amongst other things:

- Economic prosperity – workforces that are digitally-literate enables business to thrive.
- Digital literacy – digital literacy and skills increase employability and people can exploit the internet for transactional, social, entertainment and learning purposes.
- New services – digital delivery can lower costs and provide innovative public and health services more conveniently.

It is therefore advised that digital infrastructure, including FTTP, and its benefits for the development be considered from the earliest feasible stage. Methods include working with Internet Service Providers to install digital infrastructure alongside other utilities or providing pre-infrastructure allowing for speedier installation at a later date.

To discuss the benefits that FTTP may have for your development, please contact Carl Tinson in Kirklees Council's Digital Team at carl.tinson@kirklees.gov.uk

Note: The provision of fibre infrastructure is often available from certain telecommunications providers free of charge for development over a certain scale, provided that sufficient notice is given. Notice periods are typically at least 12 months prior to first occupation. In some cases, providers may request a contribution from the developer.

Note: Where no telecommunications provider has been secured to provide fibre infrastructure by the time of highway construction, it is advised that additional dedicated telecommunications ducting is incorporated alongside other utilities to enable the efficient and cost effective provision of fibre infrastructure in the future.

The application has been publicised by notice(s) in the vicinity of the site. It is respectfully requested that the notice(s) now be removed and responsibly disposed of to avoid harm to the appearance of the area

Appeals to the Secretary of State

- If you are aggrieved by the decision of your Local Planning Authority to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your Local Planning Authority's decision on your application, then you must do so within:
 - i) 28 days of the date of service of the enforcement notice, or
 - ii) within the specified period, starting on the date of this notice,whichever period expires earlier.
- If you want to appeal against your Local Planning Authority's decision then you must do so within the specified period, starting on the date of this notice.
- The "specified period" is 12 weeks where the development relates to a "minor commercial application" as defined within the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), or 6 months in any other case.
- Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at <https://www.gov.uk/planning-inspectorate> . Further information on the Planning Appeal process can be found online at the Planning Inspectorates website <https://www.gov.uk/government/organisations/planning-inspectorate>.
- You must use the correct Planning Appeal Form when making your appeal. If requesting forms from the Planning Inspectorate, please state the type of application that the appeal relates to so they can send you the appeal form you require.
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

Please note, only the applicant possesses the right of appeal.

Purchase Notices

- **If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.**

In these circumstances, the owner may serve a purchase notice on the Council. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

An important part of improving our service is to review your feedback on the way that we have dealt with your planning application(s). Please take a couple of minutes to email your comments to dc.admin@kirklees.gov.uk so that we can work on continually improving our customer service. Thank you.

Dated: 05-Jul-2022

Signed:

**David Shepherd
Strategic Director Growth and Regeneration**

Decision Documents

The decision notice indicates which documents relate to the decision. These documents can be viewed online at the Planning Services website at www.kirklees.gov.uk/planning, and by clicking on the 'search planning applications and decisions' and by searching for application number 2021/62/93622/W .

If a paper copy of the decision notice or decided plans are required please email dc.admin@kirklees.gov.uk or telephone 01484 414746 with the application number. There may be a charge for this service.

All communications should be sent to one of the following address:
