Subject: 2021/93689 - Hybrid Application Ravensthorpe Road.
Date: 24 October 2022 15:40:00

Dear kirklees

I am today in receipt of your letter for the proposal of hybrid Application for full planning permission for the proposed development of land to the south of ravensthorpe road/Lees hall road.

This development due to its size and lengthy process of building is going to cause at length noise/extra traffic ect.I am now wondering what in compensation the residents such as I are going to receive for having to put up with the extra noise,traffic,dust ect.As a resident close by to this development and having seen the recent work just off ravensthorpe road of which was small in comparison to what is going to be undertaken and the extra noise,dust traffic on and off the site that this caused I am extremely sure that some restitution must be given.I look forward to your view on this worrying problem.

Yours sincerely
