Dear Nigel

I'm emailing about your application recently validated at 46 Daisy Lea Lane, ref 2021/93790. Could you clarify which tree is to be worked on at this property? The sketch on the form shows only one tree and no details of species have been given. Looking at aerial photos it appears that there are more than one tree. It may be obvious once I've visited but it also needs to be clear in your application so could you provide with a bit more info.

Kind regards
