Dear Mr Gilbert,

I am taking timeout to email yourself in regard to the planning application for a new LIDL store in Salendine Nook.

It about time in these days of a cost of living crisis that good healthy competition on prices is active and the new store will remove the monopoly that Sainsbury's have in local convenience shopping in this area, Also providing a number of goo dquality jobs in the area.

Please take this application to the planning committee on the 14th December, with an anticipation that this can be approved ASAP

Regards

10 Moorlands Road,
Mount,
