26/10/2021, 10:20 - - *Redacted* : Good morning Mr Nana,

Further to my recent correspondence below, I can confirm that the Public Open Space advertisement has concluded and there have been no objections or comments raised.

The next step will be for you to apply for planning permission for the proposed use using the Planning Portal: <https://www.planningportal.co.uk/apply>

When this process has concluded and planning permission has been granted, please let me know and I will instruct our legal team to liaise with your solicitors in the disposal of this parcel of land.

Kind regards,

Joe Taylor
