<p>This planning application as been hanging over us for a very long time infact its been year's now.This is now something the other residents and ourselves have to object to on an annual basis. We are exhausted with living under this threat.our privacy,wildlife, views, state of mind,roads safety, building on a soak away. This application as been knocked back time and time again,nothing as changed.lets not forget we have just had networkrail working 24hrs a day in this area too.Enough is enough i say.Time to leave us residents in peace.</p>
