<p>I am writing to object to the latest planning application 2021/94280 that proposes 65 dwellings be built on the land that is situated on Lady Ann Road, Soothill, Batley.</p> <p>I strongly object to this proposal along with every other resident of lady Ann road for more reasons than one.</p> <p>Firstly the traffic on lady Ann road and soothill already is extremely unmanageable and dangerous. Building these houses will exacerbate this problem tenfold. Existing tenants and home owners are already lucky if they manage to park now. Never mind with these added houses and cars.</p> <p>It is dangerous for everyone involved including the many families with children that play on this land and around lady Ann road. And the inevitable car accidents waiting to happen.</p> <p>The land is home to many protected species of animals and is a flood land that floods EVERY YEAR.</p> <p>We should be saving our Greenland and conserving the beautiful nature on lady Ann road. This proposal is a disaster waiting to happen in more ways than one; environmentally, financially and economically. Aswell as the safety of our community.</p> <p>Furthermore the years of noise and disruption of said building work will worsen the mental health of others. As you can understand we're already in a mental health crisis.</p> <p>I object,</p> <p>-162 lady Ann road.</p>
