<p>I think the application should be refused for the following reasons.</p> <p>There is no new infrastructure to go along with All the new developments planned in this area. No new schools or roads. Doctors surgeries are full. Traffic in the area is a nightmare getting from lady Anne rd onto soothill Lane can take along time.</p> <p>Wildlife living on the land will be destroyed. It is a popular dog walking sight .</p> <p>Lady Anne rd is not suitable for articulated vehicle access. Two blind bends are not suitable and all this will do is cause more traffic delays blocking the roads. Sending traffic through the nearby estate is not helping the matter just moving it.</p> <p>The land is liable to flood from the woods at Howley.</p> <p>There must be a viable reason this land has never been built on before.</p> <p>Traffic reports made during the pandemic should be disregard due to the amount of people working from home.</p>
