<p>I am footpath officer for Ramblers UK and object to any footpath changes. The planning application document refers to a footpath diversion or extinguishment. I cannot find the detail but the plans appear to show that Bat 20/20 disappears as the site boundary is right up to houses on Howley Street. This is a main connecting path also to two Leeds footpaths and any changes will need appropriate discussion with Leeds PROW and any interested parties.</p> <p>Any possible extinguishment is totally unacceptable and will be challenged in all aspects with support of Ramblers UK Advocacy experts.</p> <p>The Ramblers' Association is a company limited by guarantee, registered in England and Wales.</p> <p>Company registration number: 4458492.</p> <p>Registered Charity in England and Wales number: 1093577.
