| <p>I object to this because of the following reasons</p> <ul style="list-style-type: none">• The land has a water beck next to it which floods and in the last 3 years water has come on Lady Ann Road• Building new homes will make the flooding situation worse and I will have difficulty getting home insurance as I live on Lady Ann Road.• Lady ANN Rod is a narrow road ,it is a bus route, cars are parked on one side of the road ,situation becomes dangerous when the bus is coming from the opposite direction .if new homes are allowed ,there will be many more cars which will make the road extremely dangerous.• the bend on Lady ann road is also too narrow and dangerous and will not be able to cope with the extra traffic.• The traffic on Soothill Lane is very bad in peak times and with the new development it will be make it worse.• The open land is a natural habitat for a vast variety of animals and birds ,the habitat will be destroyed with the new development.• The land is used by local resident for walks . | |
