Postcode:	WF10 1LD

## User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
<p>I am writing to express my absolute objection to this proposal as a resident of Lady Ann road. Dwellings and extra cars will cause unforgivable loss of natural wildlife, increase risk of flooding, increased traffic and hence an increase to the carbon footprint. It is unacceptable that there has been such a historic objection to such a proposal yet the developer has no intention of preserving existing livelihood and sustaining a natural environment. It is of paramount importance that such a proposal continues to be objected as there are no current government plans to ease any of the traffic throughflow via Soothill Lane nor any plans to preserve the natural habitat or the safety of the current community.</p>
