| I object to the building of houses on this land.the field and lady ann road are forever flooding.my house has subsidence due to this.flimsy new builds would crumble.the wildlife is beautiful to watch all year round from my living room or front garden.this would be destroyed.the traffic and congestion in the area is horrendous as it is .these houses would add to it.schools doctors and dentists are full to the rafters .who would maintain the roads to this housing estate.kirklees struggle to fill potholes in as it is.the homes on primrose hill would be in darkness n views totally blocked . | |
