Hello,

I am emailing in order to put across my objection in writing. I disagree with the planning application and the reasons as to why are listed below. Please see below.

- > this will cause the traffic to become worse
- > this will cause delay with accessing school
- > this will cause delay with accessing work
- > this will affect the wildlife in the local area
- > there is a protected newt in the stream
- > the stream floods on a regular basis
- > the area is already highly populated
- > all locals disagree with the application

I hope that my reasoning is taken into account. If you wish to speak with me further, please do email me.

Regards,
