Hello,

I am emailing in order to put across my objection in writing. I strongly disagree with this and the reasons as to why are listed below ..

- there are no additional doctors surgery's available
- there are no additional dental surgery's becoming available
- there are no additional junior schools becoming available
- there are no additional high schools becoming available
- the beck often floods, which will flood the new houses

I hope that my reasons are carefully considered. If you wish to speak with me further, please do email me.

Regards,
